

**CAP1751 POWERHEAD
FOR THE LEO, HOSPITAL**

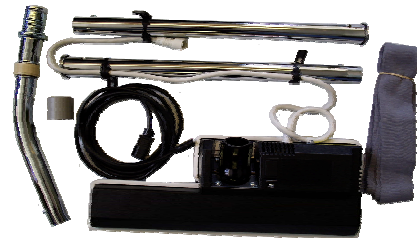

It is the same powerhead and it comes with a kit that includes the sock, pigtail, adaptor and an additional 1 1/4" end cuff.

**CAP1753 POWERHEAD FOR
THE VACTEC'S, COBEX'S**

This universal powerhead comes complete with hose sock, pigtail, powercord, straps and hose adaptor. The hose sock helps to reduce cord tangling and wall/furniture damage. The adaptor creates a secure fit with the swivel elbow. The ties included hold the cord to the chrome wand tubes. The CAP has a wide cleaning area of 17 inches.

One Year Limited Warranty on Parts and Labour

**LPN1651 POWERHEAD
FOR THE LEO, HOSPITAL**

It is the same powerhead and it comes with a kit that includes the sock, pigtail, adaptor and an additional 1 1/4" end cuff.

**LPN165 POWERHEAD FOR
THE VACTEC'S, COBEX'S**

This is a durable 13" powerhead. Swivel base and elbow which allows for extreme maneuverability. The Powerhead comes with the hose sock, pigtail powercord and elbow adaptor. It is capable of standing upright on it's own with hose attached. The powerhead is small enough to vacuum under chairs with ease and in openings as little as 3 inches high.
