

450 ECO Compact 20 inch Scrubber

- Spin-on, Spin-off Brushes
- Extremely Compact & Maneuverable
- Simple, Easy-to-Operate
- Adjustable Speed Control

Battery Compact 20 inch Scrubber is the Perfect Addition to Your Maintenance Team

The ECO family of scrubbers redefines simplicity and value.

ECO scrubbers feature "Hands-Free" brushes. "Hands-Free" brushes automatically spin-on and spin-off. The operator never touches the brush.

Everything from the rugged materials used in production to the labor saving design makes this line of scrubbers the most reliable, easy-to-use machines available on the market today. The price-to-quality ratio of the ECO line is unsurpassed.

ECO scrubbers are very compact and easy to handle. More than 60,000 ECO scrubbers are in service worldwide.

450 ECO

Compact 20 inch Scrubber

Controls

The control panel is easy to read, making the machine easy to operate.

"Hands-Free"

The brush connector has a self-centering pin. Assembly is simple, avoiding the need for manual operations.

Easy Disposal

A long hose makes it easier to reach buckets and drains when draining dirty water.

Large Tanks

The large tank opening allows easy filling and cleaning of the tanks.
