

Integrated Design Featuring Malish Quality Components

All-in-one design for convenience and economy! Uni-Block™ Showerfeed System combines an injection molded polypropylene block with the patented NP-9200 TRU-FIT Universal Clutch Plate with either a pad driver, grit brush or poly brush. The Uni-Block™ line includes Uni-Block™ Tufted Pad Driver, Uni-Block™ Grit Brush (available in two different grits) or Uni-Block™ Poly brush, depending on the application.

Every product in the Uni-Block™ Showerfeed System is manufactured to exacting performance specifications for durability and peak performance.

- Designed to fit industry-standard 17" and 20" floor machines
- Available with 16" or 19" Pad Drivers
- Choose from 15" or 18" Poly and Grit brushes
 - Fiberglass-reinforced nylon NP-9200 TRU-FIT clutch plate built molded into the block for added strength
